

Better Feet®

moisturizing cream for cracked heels

100 ml / 3.38 oz

Elite, evidence-based formulation for softening and moisturizing calluses, corns, fissures, and severely dry, cracked skin.

HOW TO USE

Use as recommended by your foot care specialist. Not for use between the toes.

SUITABLE FOR

All Skin Types, including those who are immunocompromised. Diabetic friendly.

NOTE

Not suitable for use between the toes.

FEATURES

Especially created to induce moisture on the thick skin of the heels.

Deeply hydrates with an intensive supply of patented LIPO2 biomimetic lipids and moisture.

Softens and moisturizes calluses, corns, fissures and severely dry, cracked skin.

Induces the self-regeneration of the protective skin barrier.

Ideal as an added night serum in conjunction with other PodoExpert® foams.

Excellent for use as a massage cream.

Clinically proven formula using patented LIPO2 Skin Repair Technology.

- NON-OCCLUSIVE
- FAST ABSORBING
- NON-GREASY
- NO ARTIFICIAL FRAGRANCES, COLORANTS OR PRESERVATIVES

FOR USE ON

Cracks, fissures, calluses, corns, roughness, hyperkeratosis, scales, flaking, and thick, tight skin.
